PROFESSIONAL EXPERIENCE

Sunil Fernando has over twenty years experience. He has significant audit, accounting, risk assessment, consulting, and tax expertise related to the following industries: Not-for-profit, government A-133, government contractors, banking and retirement plans, CFO Act audits of federal government agencies.

He works with medium and large-sized businesses and not-for-profit entities to review their internal controls and make recommendations to improve efficiency and effectiveness in business processes, procedures, systems, and controls.

Sunil has experience in preparing and reviewing individual, corporate, partnership, not-for-profit, and other tax returns. As part of his consulting experience, Sunil prepares budgets, financial projections, forecasts, and business plans for corporations and other business entities. He also has experience in evaluating businesses' risk management associated with credit, interest rate, operational, foreign exchange and liquidity.
